SATURDAY'S GAME.

An Enthusiastic One—Ball Was Played—The Honolulu Ahead.

The ball game on Saturday was the most interesting throughout, as well as the best played, that has been seen on the grounds this season. The Honolulu seemed to know that they had to play their best ball, and they wound up the game with only two errors to their credit. Lucas pitched a fine game, and, giving only three men bases on balls, struck out four and held the Kanehamehas down to three single base hits and one two-bagger.

The Kanehamehas played a strong game throughout, but the other boys had the best of it all through. Meheula pitched well, giving only one man base on balls, but he could not hold the hitting down, for the Honolulu "found the ball" for five singles and a three-bagger. He struck out four men. Altogether the game was a great credit to Honolulu base ballists, and if the boys give us such ball as that, they certainly deserve a good patronage. The attendance was fair, although not many carriages were present.

Pahau opened the game by striking out. Meheula followed him with a pop-up to Whitney, who disposed of it in short order. Kelimoi got his first on an error by W. Lucas, and stole second. W. Lucas hit a easy grounder to Whitney, who put him out at first, ending the Kanehamehas first half. For the Honolulu H. Wodehouse got his base on balls, stole second and got to third on a muffed ball by W. Lucas. Geo. Lucas struck out, and Whitney knocked an easy one to Pahau, who threw wild to first, letting Whitney have his base, and Wodehouse came home with the first run of the game to the Honolulu. Whitney then stole second. Chan, Wilder hit an easy one to Meheula who threw him out at first. E. Wodehouse flew out, leaving Whitney on third.

In the second inning Mahuka led off for the Kanehamehas by flying out to Hay Wodehouse. Lawelawe struck out and Crowell knocked a little one to W. Lucas who easily put him out at first. Will Lucas opened the second inning for the Honolulu by knocking a three-bagger to left field. He scored on a passed ball by Davis. Carter knocked a grounder to first base which Mahuka stopped, and was put out. Desha and Charlie went out on a double play. In the third Davis got his base on balls and stole second, but was caught out very nicely by a clean throw to second by W. Lucas. Makaimoku struck out, and Pahau knocked a grounder to Whitney who threw him out at first.

For the Honolulu, Hay Wodehouse hit a grounder to Pahau who threw him out at first, and Geo. Lucas knocked the same kind of a ball to Makaimoku who treated it in the same way Pahau did. Then, with two men out, Whitney made a clean base hit to center field, Chan, Wilder got his base on a wild throw by W. Lucas, and a double house got to second base. A fumbled grounder by Makaimoku. This filled the bases and it looked very much as though the score would be increased then and there. But W. Lucas knocked an easy one to Pahau, who threw him out at first, leaving E. Wodehouse on first, Chan, Wilder on second and Whitney on third.

Meheula opened the fourth with a two-bagger to center field. Kelimoi struck out and Wodehouse flew to E. Wodehouse. Mahuka made a base hit to left field, giving Meheula third. Then Mahuka stole second, and Lawelawe got his base on balls. This filled the bases for the Kanehamehas and was the last chance they had to win the game, but fate was against them, and Mahuka was caught off his base and put out, leaving Lawelawe on first and Meheula on third.

The Honolulu went out in one, two, three order in their half of the fourth, Carter knocking an easy one to Pahau, who threw him out at first, Desha flying out to Pahau and Charlie Wilder flying out to Makaimoku.

Fifth Inning—Crowell flew out to Whitney, and Davis made a base hit to right field, but was put out on a force hit to Makaimoku to E. Wodehouse, who threw him out at second. Makaimoku got his base. Pahau flew out to Whitney, leaving Makaimoku on second.

Hay Wodehouse made a base hit to Makaimoku, and got to third on a wild throw by W. Lucas. Geo. Lucas flew out to W. Lucas, and Whitney fouled out to the same man. Hay Wodehouse was caught between third and home and put out at the plate by Davis.

Sixth Inning—Meheula flew out to Carter, and Kelimoi got his base on balls, and stole second. W. Lucas made a fine hit to Whitney and Mahuka knocked an easy one to Hay Wodehouse, who put him out, leaving Kelimoi on third.

Chan, Wilder made a base hit to center field, and W. Lucas made a base hit to left field, and Desha hit a clean one to left, but was thrown out at first, leaving Carter on second and Lucas on third.

Seventh Inning—The Kanehamehas retired one, two, three, Lawelawe flying out to Whitney. Crowell knocked a grounder to Whitney, who threw him out at first, and Desha flew out to Chan. Wilder—The Honolulu also went out one, two, three, Charlie Wilder knocked a grounder to Pahau, who threw him out at first. Hay Wodehouse hit the same kind of a ball to W. Lucas, and Geo. Lucas flew out to Pahau.

Eighth Inning—Makaimoku made a base hit to left, stole second and was caught napping on his base and thrown out by W. Lucas. Pahau got his base on balls, and talked on a wild throw by Hay Wodehouse, who threw him out at second. Lawelawe stole second and tried to steal third, but was thrown out by Chan. Wilder to E. Wodehouse.

The Honolulu did not play their half of the ninth.

THE FUNERAL.

Attended by a Large Number of Sorrowing Friends—Floral Tributes.

The funeral services of the late Mrs. J. I. Dowsett were conducted Sunday afternoon by Rev. Alex. Mackintosh and choir of the second congregation of St. Andrew's Cathedral, Mr. Wray Taylor leading the choir by presiding at the piano. By 3 o'clock the spacious house and large grounds were completely filled by the many mourning friends. Her Majesty Queen Liliuokalani, attended by His Royal Highness J. O. Dominis and Roy W. Robertson, Chamberlain to Her Majesty, were among those present.

The floral tributes to the memory of the deceased were of many designs, as beautiful and numerous as were ever seen. The casket was made of native woods, highly polished.

After the services at the house, the funeral procession started for Nuanani cemetery where the remains were interred. The procession was one of the longest Honolulu has seen, nearly every carriage and hack being engaged.

HOW IS

Your watch? Ten to one you never think about it.

It is slow to-day. You set it ahead.

It is fast to-morrow you set it back, and wonder why it does not keep time.

How can it! The mere fact of touching the regulator one way or another does not compel the watch to do its work properly, if something is wrong inside. The delicate machinery is subjected to constant wear, pivots are wearing one side of the pivot hole, causing the wheel to be forced out of position; and running in an eccentric manner; other little matters need attention. How can it be otherwise; when you neglect your time piece, and think of it only when it refuses to go. Have it done in time and save expense and perhaps your watch.
